Coaches Comments:

Deigo was a pleasure to have on the team and his love for the game of basketball is clearly evident. I have been very impressed with Diego this year and his improvements on and off the court compared to who he was as a kid and as a player last year. He has become someone that I think has a very bright future in the program and that is a testament to how hard he works and how he handles constructive criticism. In a team with a lot of guards he really became a leader even as one of the youngest on the team.

Coaches Comments:

Diego impacts the game on every level. Diego is an all around hooper, that can score, facilitate and dictate the pace of the game. We are working with Diego on his maturity and leadership. Diego will play huge role this season and I am glad to have him as a part of my team.
